WHEREAS Section 90A of the Naval Discipline Act and Section 184A of the Army Act apply only when such conditions as may be prescribed by regulations made by the Admiralty and Army Council are complied with.

NOW THEREFORE it is hereby declared that the said sections shall apply if any of the following conditions are complied with :—

1. If an Order applying the sections is made by the Admiralty and Army Council.

2. If in case of emergency where two forces are acting together and reference to the Admiralty and Army Council would cause undue delay, an order in writing applying the sections is made by the officers commanding the two forces respectively, but in such case such officers shall communicate the fact to the Admiralty and Army Council.

3. In the case of any officer or man of one service being attached to a force of the other service, if the officer under whose command such officer or man is, with the consent of the officer in command of the force to which he is attached, makes an order that the said sections shall apply.
